

The following document is the license for certain VOLT source code .

Section 1: What you **can** do.

	You can...	As long as...
1A	Download and distribute original VOLT source code	You don't use VOLT source code to impersonate VOLT
1B	Use VOLT source code commercially, or personally	You don't use VOLT source code to impersonate VOLT
1C	Make changes to VOLT source code, and distribute	You explain what changes have been made
1D	Use VOLT source code for any purpose under any circumstances without any of these restrictions	The code is used privately, and isn't shared

Section 2: What you **can't** do.

	You can't...	Even if...	Instead...
2A	Sell unmodified VOLT source code without providing links to where the source code can be downloaded for free	You give credit to VOLT	Don't take advantage of people, and ensure that your users know they can download the code for free from VOLT
2B	Impersonate VOLT	You simply imply that you are VOLT, and don't directly state it.	Make it clear that you are a third party, and indicate any changes you've made to code.

Section 3: What I **reserve the right to do**.

	I reserve the right to...	However, I will...
3A	Place links to variants of VOLT source code on the VOLT website and other VOLT platforms.	Respect any requests to have these links removed under normal circumstances.
3B	Make requests that credit is given to VOLT if code is uploaded without any modifications	Understand if you decide not to honor this request, since the code is open and free to use.
